EXCELLENCE IN PROGRAMMING AWARD

The purpose of the Excellence in Programming Award is to pay tribute to professional(s) or student(s) who have created and implemented a special, unique, and innovative program that has brought special recognition, significant increase in guest/student satisfaction, contributed to the betterment of the community, and/or increased profitability to the member's property or educational institution. Nominated programs are judged on the following:

- program goals;
- synopsis and duration;

- supplies required;
- number of participants;
- promotional materials;
- uniqueness;
- ease of reproduction;
- value;
- staffing efficiency;
- presentation.

A nominee must:

- Be a RCRA member in good standing
- Hold a supervisory level job
- Have been hired or promoted to position within 2 years or less from date of October 2006.
- Have established impacts on profit, increased program attendance, guest satisfaction, property marketability or other related items.
